Seller's delivery of any goods and, if applicable, furnishing of any design and engineering or furnishing of any services under this P.O. constitutes Seller's acceptance of this P.O. in strict accordance with all of its terms and conditions. Seller and Buyer waive all rights against each other, the General Contractor and Owner and any of their respective agents and employees for damages caused by perils to the extent covered by Builder's Risk or property insurance. A waiver of subrogation will be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurable interest in any property damaged. If there is General Contractor and/or Owner specific required wording, it shall be listed on Attachment D which shall be attached and incorporated herein.

11. Changes: Buyer may make changes to this P.O., including changes to quantities, specifications, and/or scheduling. Such changes shall be stated in writing and delivered to the attention of Seller.
